EXPERIENCE

Montana Kaimin, Missoula, MT - Video Editor

July 2026 - Present

- Lead team of 3 videographers for a nationally recognized student newspaper, overseeing weekly video production for reported stories, interviews, and multimedia packages for digital and social platforms.
- Collaborate with reporters and editors from story conception through publication to assign stories, videographer placements and to develop video concepts, scripts and final cuts.
- Advise staff on video production, editing workflows, and visual storytelling techniques.

Pine Cove, Shores, Tyler, TX - Highlight Videographer

May 2026 - August 2026

- Produced 5-7 weekly highlight videos that captured the story of a week at camp and the collection of staff members' experiences.
- Collaborated with the team members on creative projects, social media campaigns, and storytelling.
- Demonstrated time management, prioritization, and problem-solving to meet a multitude of deadlines in a fast-paced environment.

Montana Kaimin, Missoula, MT - Copy Editor, Videographer

August 2025 - July 2026

- Managed multiple video and editorial assignments under tight deadlines while maintaining accuracy and consistent visual quality.
- Conducted on-camera interviews and captured b-roll to build compelling visual narratives for digital news coverage.
- Applied strong editorial judgment to strengthen narrative structure while preserving reporters' voices.
